Joan Asquith Shrier

Joan Asquith Shrier has her MFA from Tufts University/School of the Museum of Fine Arts and a BFA from the University of Massachusetts, Amherst. Her work is in many private and public collections including the Museum of Fine Arts, Boston. She has been teaching in the Boston area for over twenty-five years.

This is a fun class where we explore many different materials and techniques. You may choose to focus on one technique or explore them all. Think about what subject matter is important to you, and start collecting photographs, clippings and any images that you like.
