

**Roberta Paul**

### **Beginning Drawing**

Explore observational and other drawing techniques using a variety of materials, such as graphite, charcoal, and ink. Learn to become more observant so that your drawings better reflect what you really see!

#### **Materials**

1. Sketchbooks (Either bound or spiral, the largest size you feel comfortable with)
2. Several Sheets of paper 22"x30" or larger
3. Variety of pencils: From 6B TO 4H
4. Charcoal: Vine and compressed
5. Erasers: Kneaded and Gray square
6. Pens: Black Uni ball
