Week 1: June 24 - 28

TREMENDOUS TREES

The colors, patterns and shapes of trees will serve as our inspiration. Are you sitting under a palm tree, looking up towards the top of a giant redwood, or tangled in lush jungle branches? Will you take a walk through a fairytale forest or a jungle full of colorful birds, snakes and monkeys?

CVS19701 | \$440 (\$390 until 5/1)

Week 2: July 1 - 3 (3 days)

ALL ABOUT FARMS

What do you think about when you hear the word, "farm"? Cows, chickens, roosters, pigs? Or rows of corn, fields of hay, beautiful red barns, tractors and tools? What about aerial views of differently planted fields of color? From hens to horses and scarecrows to weathervanes, let's celebrate this abbreviated holiday week with a creative trip to an American farm!

CVS19702 | \$265 (\$240 until 5/1)

Week 3: July 8 - 12

AMUSEMENT PARK PARADISE

Speed down the slide at a waterpark, or rise high above the treetops on a ferris wheel! Plunge, soar, scream as you ride the roller coaster! Thrills, fun, adventures are found in our Amusement Park Paradise, but also magnificent arrays of shapes, colors and rhythms that will inspire your art in this delightful week at NAC.

CVS19703 | \$440 (\$390 until 5/1)

Week 4: July 15 - 19

FOODIE FUN

From the bread-making in depicted ancient Egyptian paintings to Andy Warhol's Soup Cans, food has been the subject matter for art throughout the ages. Have you seen delicious still life paintings, such as Wayne Thiebaud's cakes and sweets? Be inspired by the world of food, its packaging, and by your imagination.

CVS19704 | \$440 (\$390 until 5/1)

Week 5: July 22 - 26

FAR AWAY PLACES

Travel around the world! Diverse vistas, cultures and traditions will inspire your imagination this week at NAC. Carefully observe art and life from other places before you create your own. From folk art to fine art, and architecture to landscape, discover new lands while creating beautiful artworks.

CVS19705 | \$440 (\$390 until 5/1)

Week 6: July 29 - August 2

FANTASY WORLDS

Turn your world upside down and inside out! Invent a fantasy world where people, places and things are imagined and created. From Fairy Tales to the Wizard of Oz to Star Wars, the world of imagination is a very rich environment where you will discover new ways of seeing, and ways to answer the question, "What if?" Create surprising and enchanting artworks, and learn that art endeavors can have more than one solution.

CVS19706 | \$440 (\$390 until 5/1)

Week 7: August 5 - 9

BIRDS AND OTHER FLYING MACHINES

Anything that floats or flies will be used as inspiration for art-making! Will you paint birds, butterflies, hot air balloons, rockets, clouds or kites? What shapes, patterns and colors will you use in your artwork to make it soar?

CVS19707 | \$440 (\$390 until 5/1)

Week 8: August 12 - 16

UNDERWATER WORLDS

Take a trip below the surface to see incredible beauty and life under the sea! From tropical fish to sunken treasures, use the colors, light and underwater patterns to inspire this week's art-making.

Week 9: August 19 - 23

BEACH PARTY

CVS19709 | \$440 (\$390 until 5/1)

Week 10: August 26 - 30

OPPOSITES
