ABOUT NEW ART

The New Art Center has been an arts education leader since 1977. We offer art classes, workshops, and lectures for all ages, skill levels and experiences. Each class offers in-depth, comprehensive lessons taught by professional artists and art educators to build and strengthen your understanding of materials, techniques, and concepts.

The New Art Center is a non-profit community art education space which offers everyone, at all levels of ability, exceptional opportunities to make, exhibit, view, think about and talk about art.

We envision the New Art Center as a highly visible, bold, anti-racist, inclusive leader in art education and community building that serves the Newton and Greater Boston community with programs and opportunities both in our facility and beyond those walls.
