# ABOUT NEW ART

The New Art Center is a non-profit community art education space which offers everyone, at all levels of ability, exceptional opportunities to make, exhibit, view, think about and talk about art.

We envision the New Art Center as a highly visible, bold, anti-racist, inclusive leader in art education and community building that serves the Newton and Greater Boston community with programs and opportunities both in our facility and beyond those walls.

The New Art Center has been an arts education leader since 1977. We offer art classes, workshops, and lectures for all ages, skill levels and experiences. Each class offers in-depth, comprehensive lessons taught by professional artists and art educators to build and strengthen your understanding of materials, techniques, and concepts.

**EXCELLENT ART EDUCATION** New Art offers a supportive culture that takes art and artists seriously, providing 400+ classes annually taught by faculty that includes some of the region's most esteemed art educators. New Art offers an inclusive, multigenerational approach to art education that serves annually more than 3,000 students of all ages – children, teens, and adults – from beginners to advanced artists. Scholarships and tuition subsidies are available for adults, teens and children so that everyone can participate, regardless of income level.

# TUITION ASSISTANCE

At the New Art Center, we strongly believe financial circumstances should never prevent a student or artist from creating their art. We offer need-based partial and full tuition assistance to children, teens, and adults to attend our programs. Adult individuals and parents of children and teens seeking financial assistance for New Art Center classes, workshops, and vacation programs are encouraged to apply for a scholarship.

## POLICIES

**COVID Masking Guidelines:** The New Art Center follows the Newton Public School guidelines related to COVID policies. **Masking, except when returning from a COVID infection, is no longer required, but optional masking at the discretion of the individual should be supported.** Policies may shift before your class starts or during the term to include a mask mandate if required by local government. Please refer to our website for more details.

**Closures and Cancellations:** Closings and delays due to inclement weather will be posted on the homepage of our website, [www.newartcenter.org](http://www.newartcenter.org).

No refunds will be given if classes are canceled due to weather. In the event that a class must be canceled due to faculty absence or weather, students will be notified by email, which will be sent to the address provided during registration. One makeup class will be scheduled each term. For multiple absences, a substitute faculty member will be assigned. There will be no refunds for classes canceled due to faculty absences. New Art Center will make a full refund for any class canceled due to insufficient enrollment.

**Student Absences:** No refunds will be made for student absences including absences due to COVID or other sickness. We understand that students may have to miss class for a variety of reasons, but New Art decides whether or not to run a class before the term starts based on enrollment and sufficient tuition to cover our costs. Refunding students for individual absences makes it difficult to calculate a breakeven point for each class.

## ***LET NEW ART CENTER DESIGN A CUSTOM PARTY FOR YOUR CHILD'S NEXT BIRTHDAY!***

Our birthday party package includes an art activity and instruction for groups of up to 12 children. Any additional partygoers will require hiring a teacher's assistant for \$25 per extra child. We provide exclusive use of the space, art making activities (including all materials), and staff. We gladly work with personalized activities based on the party's theme. Food and drink will not be provided by New Art Center but is allowed on premises.
