ABOUT NEW ART

The New Art Center is a non-profit community art education space which offers everyone, at all levels of ability, exceptional opportunities to make, exhibit, view, think about and talk about art.

We envision the New Art Center as a highly visible, bold, anti-racist, inclusive leader in art education and community building that serves the Newton and Greater Boston community with programs and opportunities both in our facility and beyond those walls.

Above, student in Zhanna Cantor's Oil & Acrylic class takes a moment to review her work.

ACCESS FOR ALL OUR CULTURAL ACCESS PROGRAM

Since 1977, New Art has built community by lowering barriers to participation in the arts, and integrating the experience of art into everyday life.

Our Cultural Access Project is an array of programs that seek to expand access to cultural experiences and arts education. These programs include:

ART AS THERAPY

Visual arts are an important tool for self-expression and emotional regulation. We offer an expressive arts therapy program for teens and tweens, and private art experiences for women and families seeking shelter from domestic violence. Art as Therapy will have sessions for GR 6-8 this fall. Visit newartcenter.org to learn more!

Above, Art as Therapy students work on a group mandala.

BIPOC CURATORIAL PROGRAM

The New Art Center's BIPOC (Black, Indigenous, People of Color) Curatorial Program is designed to offer the opportunity for guest curators of color to curate exhibitions within New Art's ongoing Exhibition Program. Founded in 2020

ABOUT NEW ART

as a response to the rising national unrest, the BIPOC Curatorial Program enables curators who identify as Black, Indigenous, and People of Color to develop and share exhibitions that spark dialogue, and share personal vision and personal experiences through curation.

COMMUNITY CULTURAL DAYS

Dancing during our Festival of Lights Community Cultural Day.

Throughout the year, we host free community art making events celebrating the cultural fabric in our community. We work in partnership with cultural groups in Newton and beyond to develop programming that is culturally significant, which includes dance, performance, and art-making activities.

YOUTH EMPOWERMENT

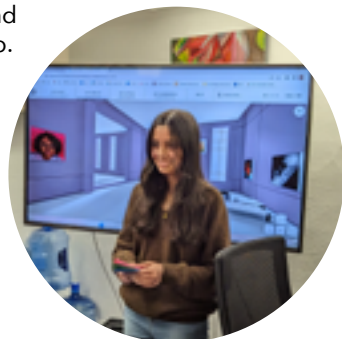

Teen students have the opportunity to gain valuable work experience and become leaders in the community through mentorship by New Art educators and staff. Teens support New Art, take one of our classes, and present a culminating project at the end of the internship.

INCLUSIVE PROGRAMS FOR ADULTS

We provide weekly, private outreach classes for developmentally-delayed young adults and students with language-based learning disabilities.

DIRECT SCHOLARSHIP FUND

We provide tuition assistance through our scholarship fund. This fund is supported by members and donors. If you are interested in supporting our scholarship fund, please reach out to Director of Development, Taylor Mortell at 617.964.3424 or taylor@newartcenter.org.

POLICIES

POLICIES

CLOSURES AND CANCELLATIONS

Closings and delays due to inclement weather will be posted on our website, www.newartcenter.org.

No refunds will be given if classes are canceled due to weather. In the case of a faculty absence, New Art staff tries their best to provide a faculty substitute. In the event that a class must be canceled due to faculty absence or weather, students will be notified by email & text, which will be sent to the address & phone number provided during registration. There will be no refunds for classes canceled due to faculty absences. One makeup class will be scheduled each term. New Art Center will make a full refund for any class canceled due to insufficient enrollment.

STUDENT ABSENCES

No refunds will be made for student absences including absences due to COVID or other sickness. We understand that students may have to miss class for a variety of reasons, but New Art decides whether or not to run a class before the term starts based on enrollment and sufficient tuition to cover our costs. Refunding students for individual absences makes it difficult to calculate a breakeven point for each class.

STORAGE OF ARTWORK

There is limited storage for student artwork at New Art Center. All artwork must be removed by students by the last day of the term.
