OUR CULTURAL ACCESS PROGRAM

Since 1977, New Art has built community by lowering barriers to participation in the arts, and integrating the experience of art into everyday life.

Our Cultural Access Program is an array of programs that seek to expand access to cultural experiences and arts education. All of our Cultural Access Programs are supported by donors and sponsors. These programs include:

ART AS THERAPY

Visual arts are an important tool for self-expression and emotional regulation. We offer an expressive arts therapy program for teens and tweens on a sliding-scale, and private art experiences for women and families seeking shelter from domestic violence. Art as Therapy will have sessions for GR 6-8 this spring. Visit newartcenter.org to learn more!

Art as Therapy students work on a group abstract piece.

CULTURAL ACCESS FOR ALL

BIPOC CURATORIAL PROGRAM

The New Art Center's BIPOC (Black, Indigenous, People of Color) Curatorial Program is designed to offer the opportunity for guest curators of color to curate exhibitions within New Art's ongoing Exhibition Program. Founded in 2020 as a response to the rising national unrest, the BIPOC Curatorial Program enables curators who identify as Black, Indigenous, and People of Color to develop and share exhibitions that spark dialogue, and share personal vision and personal experiences through curation.

COMMUNITY CULTURAL DAYS

2025 Lunar Year Celebration
Community Cultural Day.
Photographer: Shira Weiss

Throughout the year, we host free community art making events celebrating the cultural fabric in our community. We work in partnership with cultural groups in Newton and beyond to develop programming that is culturally significant, which includes dance, performance, and art-making activities.

YOUTH EMPOWERMENT

Teen students have the opportunity to gain valuable work experience and become leaders in the community through a paid internship with New Art educators and staff. Teens support New Art, take one of our classes, and present a

culminating project at the end of the internship.

INCLUSIVE PROGRAMS FOR ADULTS

We provide weekly, private outreach classes for developmentally-delayed young adults and students with language-based learning disabilities.

Brigham House Artists

SCHOLARSHIP FUND

We provide tuition assistance through our scholarship fund. This fund is supported by members and donors. If you are interested in supporting our scholarship fund or any of our cultural access programs, please reach out to Emily O'Neil, Executive Director, at emily@newartcenter.org.
